

Tanner Ricks

Afton, WY | Provo, UT - August 2026

(208) 589 - 5302

ricks.tanner@byu.edu or ricks.tannerc@gmail.com

PROFILE

Incoming BYU student with experience in residential interior design and remodeling, organizing documents, technology, and safely using hand and power tools. Dependable, fluent in Spanish, and quick to learn new equipment, software systems, and procedures.

RELEVANT EXPERIENCE

Residential Construction Assistant | Family Residential Projects | Wisconsin and Wyoming | Summer 2021 - Summer 2024

- Collaborated on renovation projects for family homes including construction, electrical work, cleanup, material handling, and logistics
- Assembled and installed furniture such as shelving, desks, tables, chairs, cabinets, and fixtures using hand and power tools
- Coordinated two-person tasks and followed project plans and safety practices

Aircraft Maintenance Intern | Aviat Aircraft | Afton, WY | Fall - Winter 2023

- Completed cleaning and organizational assignments on my own and supported experienced aircraft technicians in inspection and maintenance
- Sorted and labeled airplane design files, moved and organized the aircraft, parts, tools, and workplace materials as needed
- Assisted with aircraft skinning and rivet removal while following proper workplace safety procedures
- Arrived with consistent punctuality documenting my arrival and departure

LEADERSHIP & SERVICE

Eagle Scout Service Project | Little Free Library Project | Kennedy Elementary School | Janesville, WI | 2019

- Led 20 volunteers in designing and building a Little Free Library with a shingled roof, self-closing door, and custom brick base
- Organized a book drive that collected about 450 books
- Coordinated with the school principal, city inspectors, Scout leaders, and community members to make it happen

EDUCATION & ACTIVITIES

Incoming Undergraduate Student - Major Undecided | Brigham Young University | Provo, UT | Expected 2030
